EXPERIENCE

JUKEBOX HERO!

Collaborative project building a user customizable Jukebox app. We utilized JavaScript, JavaScript Object Notation (JSON), HTML, CSS, Grid, Flexbox, Kanban boards and GitHub as well as GitBash.

HOBBY SHOP WEB REVIEW PAGE

Collaborative project at WCCI building a product review webpage involving multiple hashtags and product categories. Worked with Thyme Leaf, Spring, HTML, CSS, Flexbox, Grid and again utilized the Agile Methodolygy.

DONUT MAKER!

Web based JavaScript game I coded at WCCI paying homage to the world-famous Cookie Clicker! game. Aside from JavaScript I used HTML, CSS and Flexbox.

EMPLOYMENT

ATLAS STEEL PRODUCTS
Slitter Operator
July 2019 - June 2021

HEIDTMAN STEEL PROCESSING
Slitter Operator
December 2016 - July 2020

During my time at both of these employers I led teams of up to 5 people as I operated a steel slitting machine. These jobs were customer driven and required impeccable customer service, rigorous attention to detail, perfect quality control, excellent communication, teamwork and attention to detail.
